U.S. Plans Pacific Atom Tests In April

Disarm Talks Failure Cited By Pentagon

Defenses Against Missile Weapons Will Be Advanced

WASHINGTON, Sept. 15 (AP)—The United States announced today it will conduct a new series of nuclear weapons tests in the Pacific to advance its defenses against missile-borne and other types of aggression.

In the absence of a safeguarded disarmament agreement, the announcement said the tests will begin next April at the Eniwetok proving ground, where this country has exploded some of its big H-bombs.

The announcement of the new series was made by the Atomic Energy Commission and the Defense Department as Secretary of State Dulles left for the United Nations General Assembly session opening in New York Tuesday.

Dulles-Gromyko Clash Due

Dulles and Soviet Foreign Minister Andrei Gromyko are expected to clash over the fruitless five months of disarmament talks which ended Sept. 6 in London.

The Russians announced Aug. 26 they had successfully test-fired an Inter-Continental Ballistic Missile that "can hit any spot on the globe." The Soviets began a new series of tests Aug. 22 at their Siberian proving grounds.

Today's U.S. announcement said: "The forthcoming series will advance the development of weapons for defense against aggression whether air-borne, missile-borne or otherwise mounted."

It added: "The United States repeatedly has stated its willingness to suspend nuclear tests as part of a disarmament agreement. Until such an agreement is attained, continued development of nuclear weapons is essential to the defense of the United States and of the free world."

"Clean" Weapon Is Goal

The new tests in the Bikini-Eniwetok area will be the first conducted there since the summer of 1956. A series of nuclear tests was held this summer in Nevada.

The new Eniwetok trials also will serve to continue this country's efforts to produce a "clean" nuclear weapon, with relatively little radioactive fallout.

A United Nations agency will be invited to name an international group to observe one of the test detonations involving a limited fallout, the announcement said.

Tornadoes Kill 2 In Oklahoma

KONAWA, Okla., Sept. 15 (AP)—Tornadoes struck in south-central Oklahoma last night while rain, hail and windstorms battered other parts of the state.

A farm couple was killed and a number of other persons injured by the tornadoes which hit the rural Sacred Heart community north of Konawa and the Bethel community six miles southwest of Shawnee.

High winds also caused some property damage in Wichita Falls, Tex.

The highway patrol reported 15 homes and outbuildings destroyed or damaged by the twister at Sacred Heart.

Killed were Haskell Campbell, 48, and his wife, Jewell, 42, when the tornado struck their home near the Sacred Heart school.

Their daughter, Nancy, 10, was among a number of persons injured by the tornado there.

The funeral at Bethel reportedly damaged 25 to 30 homes but no deaths were reported.

Winds up to 75 miles an hour were reported in other parts of the state with heavy rains and hail.

Iraq King Faisal To Wed Distant Cousin Of Farouk

BAGHDAD, Iraq, Sept. 15 (AP)—The royal palace announced today that King Faisal of Iraq is engaged to marry 16-year-old Princess Faziela, a distant cousin of ex-King Farouk of Egypt.

One palace source said the wedding probably would not take place for a year because of the princess' youth. King Faisal is 22. The palace source said the princess may visit Baghdad this winter.

The formal palace announcement declared Tuesday a nationwide public holiday to celebrate the engagement, which actually took place while the two were vacationing in Turkey this summer. The royal palace council, which includes Premier Ali Jawadat and other members of the Cabinet, approved the truth today just before the announcement was made.

Disarmament Will Be Major Topic For U.N.

UNITED NATIONS, N.Y., Sept. 15 (AP)—The United States and the Soviet Union both spotlighted disarmament today as a major topic for the U.N. General Assembly's 12th session starting Tuesday.

A U.S. delegation source told a reporter it seems that would be "one of the big items." He said that, in Secretary of State Dulles' policy speech to the assembly Thursday, "I think the most interesting emphasis will be on disarmament."

Assistant Secretary of State Francis O. Wilcox, told a New York meeting of the American Assn. for the U.N. that the United States hoped the assembly's disarmament debate "will induce the U.S.S.R. to relax its rigid position and reinforce our efforts to move toward agreement."

Soviet Foreign Minister Andrei Gromyko, arriving last night for the session, said "The first problem is disarmament."

"We will do everything possible," he said, "to move forward in the settlement of this problem right now, provided all parties show a proper desire."

The U.N.'s Disarmament subcommittee recessed its 5½-month private talks in London Sept. 6 with the Soviet Union still in disagreement with the other members — Britain, Canada, France and the United States.

Since then the disarmament question is known to have been the subject of review in the State Department and of diplomatic exchanges among the Western powers.

Precisely it is under review in Moscow, too. Persons informed on the question would not be surprised to see new proposals from one side or the other.

India and the Soviet Union are urging the 12-nation Disarmament Commission meet soon to relay the report of its subcommittee to the assembly for early discussion.

Dulles will be the second speaker in the general debate, after Brazil's spokesman. His 45-minute broadcast and televised address is scheduled for 11 a.m. Thursday.

The Soviet delegation said today no time had yet been set for Gromyko's speech.

31 Die In Tribal War

JOHANNESBURG, South Africa, Sept. 15 (AP)—Thirty-one Africans have been killed and scores injured in a tribal war this weekend between Basuto and Zulu tribesmen in the Meadlands resettlement township.

USAF Begins Taking Over Spain's Largest Air Base

TORREJON, Spain, Sept. 15 (AP)—Almost 1,000 U. S. airmen moved from Madrid today into what will be the largest air base in Spain.

Their arrival marked another milestone in the buildup of Europe's defenses against Communist aggression.

The transfer of the base operating unit from temporary quarters in Madrid to this steadily growing installation 15 miles northeast of the Spanish capital was accomplished quietly and without ceremony.

It will be followed soon by the transfer of planes and other equipment of the U. S. 16th Air Force from Getafe Airport 15 miles south of Madrid. The 16th has been using Getafe jointly with the Spanish air force for the last year.

Governor Asserts Integration Might Come This Week

LITTLE ROCK, Ark., Sept. 15 (AP)—Gov. Orval Faubus said tonight that integration might take place this week at Central High School here but that the National Guard will still be on duty Monday.

He said the conference with President Eisenhower at Newport, R.I., Saturday did not change his ideas of the situation. He added, however:

"There were certain areas of agreement. I am not free to discuss the detail, the subjects of the conference or what we hope to accomplish."

Governor On TV

The Governor made the comment on a televised interview (Mike Wallace, ABC). He left unanswered the big question of what he will do about the Federal Court order to integrate the 2,000-pupil Central High School, scene of a week-long struggle between the federal and state governments.

Faubus, again without disclosing details, asserted he has information that violence would have occurred if Negroes had been permitted to enroll in Central High School on Sept. 3.

"Many of the facts and the information are known to many people," Faubus said.

He contradicted the contention that no city officials of Little Rock agree with him on this point. "Most of the city officials do agree with me," Faubus said.

Says People "Concur"

Further, he said, "most of the people of the state believe I am right."

He said a poll taken last week in Little Rock and across the state showed that "82 per cent of the people of Little Rock concur with the belief that disorder and violence would have taken place had I not acted as I did."

Three Sailors Die In Blazing Jeep

SAN FRANCISCO, Sept. 15 (AP)—Three sailors on shore leave from the Navy supply ship Pollux were trapped and burned to death last night in a jeep which overturned on a downhill freeway ramp.

A fourth seaman may die. A fifth, thrown clear of the jeep, suffered serious hand burns trying to pull his friends from the blazing wreckage.

The dead: Donald Leo Crick, 20, seaman, Louisville, Ky.; Teofilo F. Trias, 20, a cook, and Paquito I. Ampoy, 34, steward, both of the Philippines.

Richard J. Clifford, 21, home town withheld by the Navy, was in critical condition at Oak Knoll Naval Hospital, Oakland, today.

Benjamin Quismundo, 29, also of the Philippines, escaped with the painful hand burns.

Truman Heads Home

NEW YORK, Sept. 15 (AP)—Former President Harry S. Truman left for home today after a visit here with his daughter and her family.

Accompanied by his wife, the former President left from Pennsylvania Station aboard the St. Louisian, bound for St. Louis.

Carrie Due To Shift Course For Better

MIAMI, Fla., Sept. 15 (AP)—Hurricane Carrie edged a few miles nearer Bermuda today but signs were seen that the season's third hurricane would change her course again—for the better.

The U.S. Weather Bureau at Miami said in a 5 p.m. EST advisory, "Present indications are that within 24 to 48 hours, conditions will become favorable to change the course and to steer the hurricane away from the U. S. coast."

The storm, carrying peak winds of 115 m.p.h., was located on a west-northwest course at latitude 31.2 north, longitude 59.8 west, or about 300 miles east-southeast of Bermuda.

They were Don McKay, Portland, and Joe Quigley of Vancouver, Wash.

Two Climbers Killed

PORTLAND, Ore., Sept. 15 (AP)—Two experienced mountain climbers fell to their deaths today while trying to scale 1,500-foot St. Peter's Dome in the Columbia River Gorge 30 miles east of here.

They were Don McKay, Portland, and Joe Quigley of Vancouver, Wash.

Collector Finds Six-Foot Snake In Trash Basket

NEW YORK, Sept. 15 (AP)—Irving Deutsch, a Sanitation Department employee, started to empty a Times Square area trash basket today. He jumped away when he found a live, 6-foot king snake.

A patrolman got the reptile in a carton and it was taken to a shelter of the American Society for the Prevention of Cruelty to Animals.

The king snake, supposedly harmless to humans, usually is found in the Southern states, although New Jersey has its share. How it got into the basket on Seventh Ave. between 43rd and 44th Sts. was a mystery.

Two Boys Held In Knife Slaying Of Camp Leader

BENTON, Ky., Sept. 15 (AP)—An elderly boy's camp supervisor was found stabbed to death early today. Two teen-agers later were charged with murder in the slaying.

A 14-inch butcher knife with only the handle protruding from the chest was found in the body of Horace A. Kennedy, 70, supervisor of Kentucky State Boys' Camp near here.

Marshall County Atty. H.H. Lovett Jr. identified the teen-agers as Eddie Hall, 14, of Frankfort, and Arvin Johnson, 17, of Owensboro.

They were living at the camp for homeless, though not necessarily delinquent, boys who come under jurisdiction of the Kentucky Youth Authority Act.

Kennedy's body was found by State Trooper J. E. Brown, who went to the camp to inform the elderly man his car had been stolen.

The two boys were picked up by police at nearby Princeton after two policemen became suspicious.

They said Johnson produced a driver's license bearing the name of Horace Kennedy with the birth date listed as 1886.

Trooper Brown discovered Kennedy's body after he questioned the youths about the car. He said Kennedy's head had been beaten with a short, heavy piece of wood.

Talks Continue As Phone Strike Deadline Nears

NEW YORK, Sept. 15 (AP)—Telephone installers tonight turned down the day's second new offer from Western Electric and a union official said a strike tomorrow morning was inevitable.

NEW YORK, Sept. 15 (AP)—Western Electric Co. made a new wage proposal to its unionized equipment installers today as joint contract talks were resumed in an effort to avert a strike scheduled for tomorrow.

Joseph E. Dunne, chief union negotiator, termed the offer inadequate. Another bargaining session was set for later today.

A strike of 23,800 equipment installers, members of the Communications Workers of America, has been called for 6 a.m. (local time) against the company, manufacturing arm of the Bell Telephone System, unless a new contract is negotiated.

The present wage scale for the installers ranges from \$1.39 to \$2.80 an hour. Bargaining between the two parties began July 29.

A strike would not immediately affect dial phone service. But it could affect long distance and other of the Bell System's services in 44 states and the District of Columbia.

BALTIMORE, Sept. 15 (AP)—Some 1,200 telephone equipment installers in Maryland, Virginia, West Virginia and the District of Columbia were poised tonight for a nationwide strike at dawn against Western Electric Company.

They are members of Local 2390, Communications Workers of America (AFL-CIO).

John B. Grabbil of Baltimore, president of Local 2390, said picketing assignments were issued to 330 Maryland members at a meeting here today. Plans to support strikers with food and other necessities also were made.

Police Sergeant Says Five Or Six Persons Killed

NEW BEDFORD, Mass., Monday, Sept. 16 (AP)—An overdue commercial plane flying through sticky weather crashed near the New Bedford Airport last night and a city police sergeant said "five or six are dead."

The sergeant — at headquarters in downtown New Bedford — made the statement at about the time a spokesman at St. Luke's Hospital said "eight or ten" persons had been received there, adding that "they're all in shock."

A litter bearer carrying victims from the remote spot where the Northeast Airlines craft crashed told reporters at the hospital that he saw at least three dead at the scene.

The plane carried 21 passengers and a crew of three. An airlines spokesman said shortly after the crash was reported that 24 stretcher cases were taken from the plane.

The twin-engine plane bound from Boston to New York crashed in a heavily wooded, swampy area.

The craft — flying late because of bad weather — struck ground about two miles southeast of the New Bedford Airport's administration building. It was coming in for a landing after previous stops at Hyannis, Nantucket and Martha's Vineyard.

The weather at the time was described as a "heavy mist." Visibility was about 100 feet.

The scene of the crash was inaccessible for vehicles and the first rescuers to reach there were several doctors and firemen, afloat.

The plane, a DC3 — Flight 285 — made a regular approach at the airport here at 8:38 p.m., EDT, but was unable to land because of the weather.

Desperado Undergoes Operation

MINNEAPOLIS, Sept. 15 (AP)—Minneapolis surgeons today performed an emergency operation to save the life of a gunman whose two brothers were killed by lawmen last night after a running battle in which a hostage was slain and a sheriff's deputy was wounded.

Surgery was performed at General Hospital on James O'Kasick, 20, one of three Minneapolis brothers also identified as the killers of Minneapolis officer Robert Fossum in a gun battle a month ago.

O'Kasick and his brothers, Ronald, 24, and Roger, 26, were hunted down by police car and airplane on a game farm about 30 miles north of here.

The younger O'Kasick shot himself after pursuing highway patrol officers had cut down Ronald and Roger.

James was brought to General Hospital with a bullet wound through a lung.

Local and county authorities said no charges have been filed against O'Kasick in the deaths of patrolman Fossum and the hostage, Eugene Lindgren, 30, of rural Anoka.

Another Minneapolis officer, Ward Canfield, remains in critical condition after the fight in which Fossum died.

Woman Leaving Church Shot To Death; Mate Held

SHELBYVILLE, Ind., Sept. 15 (AP)—Clifford Groover, 57, Indianapolis, was arrested by state police here today a few hours after his estranged wife was shot and killed as she came out of an Indianapolis church.

He was taken to the Shelby County jail for questioning.

Mrs. Groover, 45, died on the steps of the rectory at Holy Cross Catholic church. The killer fired a shot at a priest who came to the woman's aid, but the bullet missed and the man fled with churchgoers in pursuit.

State Trooper James Kleiman said he apprehended Groover walking along a highway near here, 30 miles southeast of Indianapolis. Police had been alerted to watch for Groover after witnesses to the shooting identified his car through the license number.

Airliner Makes Unscheduled Stop After Bomb Scare

ST. LOUIS, Sept. 15 (AP)—Delayed six hours by a bomb scare hoax, a TWA plane completed a San Francisco-to-St. Louis flight today, carrying 26 passengers. Most of them had little to say about the incident and were anxious to get home.

The Super Constellation plane was forced to make a hasty unscheduled stop at Reno, Nev., with 43 passengers aboard then. An intensive search was made. Authorities said there was no panic.

The plane arrived here at 1:25 p.m. The airline offered the passengers a free dinner here but there were not many takers. Most left quickly for home.

About half an hour after the plane left San Francisco at 11 p.m. last night, an anonymous male phone caller warned the TWA operator there: "There is a bomb on flight 62." Then he hung up.

Demo Leaders See Party Scar Left By Faubus

WASHINGTON, Sept. 15 (AP)—Democratic political pains over school integration were eased somewhat today by Gov. Orval Faubus' assurance to President Eisenhower that he will obey federal court orders in Arkansas.

But party leaders said privately that Faubus' action in calling out the National Guard to keep Negro students from Little Rock Central High School has left a political scar not likely to be erased before next year's campaign for control of Congress.

The consensus of these leaders was that Faubus' course, plus school integration flareups elsewhere, has ripped open the party unity Senate Democratic Leader Lyndon B. Johnson of Texas patched together during congressional action on the civil rights bill.

They said Faubus' decision not to defy the federal court eases this situation somewhat but doesn't cure it.

Johnson worked successfully to get a compromise bill passed so that the issue would not hang over the Democratic-controlled Congress in the 1958 election year.

With a voting rights bill on the statute books, it was Johnson's evident belief that civil rights would be only a talking—and not a fighting—issue in the next session. Despite the intention of several civil rights advocates to introduce stronger bills, some highly placed Republicans hold the view that no new legislation is likely.

Johnson's obvious intent in getting the voting rights measure passed was to show that the division within his party was not such as to render a Democratic Congress impotent to act on civil rights.

What progress Johnson made in tagging the Democrats as moderates on the issue seems to have been upset by the futile 24-hour Senate filibuster by Sen. Thurmond (D-SC), by Faubus' actions, and integration outbreaks elsewhere in the South. These have tended to label the Democrats as the party of white supremacy.

Chancellor's Forces Rout 'Neutralists'

W. German Leader Conceded Majority In New Bundestag

BONN, Germany, Monday, Sept. 16 (AP)—Chancellor Konrad Adenauer's pro-Western Christian Democrats swept to an apparently overwhelming victory over the neutralist Socialists in West Germany's Parliamentary election Sunday.

The Socialists, Adenauer's main rivals, conceded defeat. They trailed by more than 2-to-1 in the popular vote as returns were counted today.

Two minor parties had already conceded the Christian Democrats an absolute majority in the new 494-seat Bundestag, the powerful law-making lower house of Parliament.

Assured Third Term

Adenauer, at 81, the most powerful and most controversial figure in the country, was assured of his third term as chancellor. He has led West Germany into armed alliance with the West in world affairs and into booming prosperity at home over the last eight years.

The Socialist concession of defeat came from Wilhelm Mellies, deputy to the Social Democratic chairman, Erich Ollenhauer.

"It seems the Christian Democratic Union has won an absolute majority," Mellies said.

Results from 71 of the 247 election districts gave:

Christian Democrats 4,220,532. Social Democrats 1,710,633. Free Democrats 493,108. Refugee party 225,101. German party 157,037. German Reichs party 67,603.

This gave Adenauer's party 51 per cent of the total, compared with 45.2 per cent in the 1953 election. The Socialists had 30.4 per cent, compared with 28.8 per cent four years ago.

Adenauer Wins Re-election

Adenauer's party had won 130 seats in direct elections, and its Bavarian ally, the Christian Socialists, 36. The Socialists had 31 and the German party 3. Half of Parliament's 494 deputies are elected by direct vote, the remainder by proportional representation.

Christian Democratic leaders were toasting a landslide triumph that had the makings of being even greater than that of 1953.

As his majesty mounted, Adenauer slept peacefully at his home in the village of Rhodorf, on the other side of the Rhine. He went to bed before midnight after winning re-election to his own seat in a Bonn district. The victors in the election name the new government.

Syria Renews Charges U.S. Plans Attack

DAMASCUS, Syria, Sept. 15 (AP)—Maj. Gen. Afif Bizry, new chief of staff of the Syrian army, charged anew today the United States is threatening to attack Syria. If she doesn't use her own troops, he said, she might send those of other nations.

Bizry's comments at a news conference seemed to be a turn-about from more recent tempered charges against the West. A Syrian government spokesman, commenting on reports of Turkish troop movements, said only yesterday, "We don't expect an attack."

Bizry raised the Turkish troop issue again by saying there are increased concentrations of Turk forces at the border. He said he believed Turkey had massed two infantry divisions and one armored division there. Syria, he said, is "taking all steps and measures to safeguard her independence."

Turkey has assured Syria she has no intention of launching an assault on this

British Tory Party Shakeup Predicted

LONDON, Sept. 15 (AP)—A shakeup in Prime Minister Macmillan's Conservative regime appeared imminent tonight. A peer whose mother was an American is slated to take charge of the party political machine.

The Prime Minister, worried about Tory setbacks in recent special parliamentary elections, has chosen Viscount Hailsham for the job of reorganizing the party from the grass roots level up.

Reliable sources said the 49-year-old viscount would remain in the Cabinet as lord president of the council after becoming chairman of the Conservative party, a dual position unique in British politics.

Hailsham, who was forced by tradition to inherit a peerage over his objections, is also minister of education. His mother was Elizabeth Brown, daughter of Judge Trimble Brown of Nashville, Tenn., and his father an English lord. She died in 1925.

The political fortunes of the Tories are at their lowest ebb since Sir Winston Churchill led the party back to power in 1951 after six years of postwar Socialist rule. Sir Winston is one of Macmillan's close advisers—and the selection of Hailsham to shake up the party seems significant.

The three have a lot in common. All had American mothers, all often were regarded as rebels in Conservative ranks, all are hard-hitting speakers and colorful platform performers.

Churchill and Macmillan declined peerages. Hailsham sought by legislation to disstep the title when his father died in 1950, but bowed gracefully to tradition and left the House of Commons for the House of Lords when he failed.

Arlington Schools Opened To Negroes

ARLINGTON, Va., Sept. 15 (AP)—Parents of two Negro children said last night they will enter the youngsters in white schools here Sept. 23 in line with a federal judge's integration order.

U. S. Dist. Judge Albert V. Bryan yesterday ordered the Arlington County School Board to enroll seven Negroes in white schools from which they were barred on the first day of classes Sept. 5.

Mrs. E. Leslie Hamm said her 11-year-old daughter, Leslie, would be sent back to Stratford Junior High School "when the time comes."

Robert A. Eldridge Jr., a police detective in nearby Washington, D.C., said his son, Robert III, 9, would be at Patrick Henry Elementary School on Sept. 23.

Judge Bryan made his integration order effective on that date. It had been sought by the National Assn. for the Advancement of Colored People.

Demo Council Members Rap Ike On Integration

WASHINGTON, Sept. 15 (AP)—A majority of the Democratic advisory Council including former President Truman and Adlai Stevenson accused President Eisenhower today of failing to take a strong stand against "defiance of the law" in Little Rock, Ark.

The Democratic National Committee made public a statement approved by 15 of the council's 24 members. It said three members, all from the South, disapproved and the other members couldn't be reached.

While sharply critical of Eisenhower, the statement also struck at Democratic Gov. Orval Faubus of Arkansas for calling out the National Guard "to bar the Negro students" from enrolling at all-white Central High School in Little Rock.

Glubb Criticizes Jordan Armslift

LONDON, Sept. 15 (AP)—Lt. Gen. Sir John Bagot Glubb, the ousted British commander of Jordan's Arab Legion, said today U. S. shipment of arms to that Arab kingdom has hurt the Western position in the Middle East.

In an article printed in a British publication, Glubb strongly criticized British and American attitudes toward Arab nations, including Syria. Western powers, he said, should use more tact in dealing with sensitive Arabs who suspect the West "is still trying to be bossy."

As for the arms lift to Jordan, Glubb wrote in the News of the World: "It gave the Russians yet another opportunity to put over the line that America is trying to dominate them by force and that

the Soviet offers purely altruistic friendship."

One of Britain's most influential newspapers, the Observer agreed with Glubb that the sending of arms to Jordan was harmful to the West.

"It has diverted attention from the attempt to focus world opinion on the Hungarian debate in the United Nations," the paper said. "It has revived the ever-latent Arab fear of Western domination and, for the time being, has arrested the promising moves of Syria's neighbors to sink their differences in an attempt to isolate and contain her."

Legion To Turn Fire On Status Of Forces Pact

ATLANTIC CITY, N.J., Sept. 15 (AP)—The American Legion national convention today was drawing a resolution to demand American justice for U.S. servicemen accused of committing crimes in foreign lands.

The situation has been brought to the forefront by the Japanese trial of Army Specialist William Girard, accused of shooting and killing a Japanese woman on an army firing range.

The Legion is not concerned itself with the guilt or innocence of Girard. The resolution will deal with the over-all question of whether servicemen sent overseas are entitled to trial under the American Constitution rather than foreign law.

Some 30 resolutions calling for repeal or modification of status of forces treaties or agreements have been placed before the Legion's Resolutions Committee.

They are expected to be consolidated into one for presentation to the delegates in the formal convention proceedings starting Tuesday.

Serious business of the conventions will pause tomorrow for the traditional Legion parade. Fifty to sixty thousand marchers are expected to participate, with scores of bands and drum and bugle corps among them.

The gist of the resolutions dealing with the status of forces agreements is that when the United States sends a serviceman overseas it should send the protection of the Constitution with him.

12 Mental Hospital Escapees Captured

PETERSBURG, Va., Sept. 15 (AP)—Twelve patients who escaped last night from a state mental institution for Negroes after overpowering attendants with an assortment of makeshift weapons were back in confinement today.

Officials at Central State Hospital said the last of 12 was returned shortly before 8 a.m. today—11 hours after the break. The 12 men, housed in the maximum security section of the institution, injured eight attendants on the way out, sending one to the hospital with head injuries.

It was the second mass escape from the hospital in less than a year. Five inmates overpowered attendants in the maximum security building last Dec. 2. They were captured by police within 32 hours.

Now available in CUMBERLAND Equitable's Living Insurance Family Style

Here is personal coverage on each insured member of your family under one single policy with a choice of two plans...

A Family Protection plan providing insurance on dad, mother and the children...and a Family Security plan providing a valuable savings feature, too.

Now The Equitable Life Assurance Society of the U.S. offers you this new and unique choice in family insurance. Its benefits are different from any offered the American family.

Here is your opportunity to have low-cost *Living Insurance* fit the needs and aspirations of your own family.

In other words, this is a take-what-you-need proposition. In *Living Insurance Family Style* you pick the plan that suits your family best. Here's how it works.

Family Protection

If you're a young father, your primary interest probably is immediate individual coverage on your-

self, your wife and your children. Then Family Protection is your plan and here's what you get for each unit.

\$5,000 of permanent insurance coverage on yourself... insurance with cash values that increase each year and on which you can borrow money in time of emergency.

\$3,000 immediate coverage on your wife to age 30... term insurance giving maximum protection during the critical years, decreasing gradually and terminating at her age 65.

\$1,000 of coverage on each insured child under 18... term insurance to age 25 or mother's age 65, whichever occurs first, may then be converted to permanent insurance without medical examination up to 5 times the amount of term insurance. Automatic coverage at no extra cost is provided for future children beginning when they are at least 14 days old.

Family Security

On the other hand, suppose you want the advantages of family coverage but feel that you'd like a greater amount of cash in hand when you reach retirement age.

Then the Family Security plan is for you. Here's what you get for each unit.

\$3,000 of endowment coverage on your life payable in cash when you are 65 or payable on death before your age 65.

\$1,000 of endowment coverage on your wife payable in cash on the very same day that the coverage on your life matures as an endowment—or payable on her prior death.

\$1,000 of coverage on each insured child under 18... term insurance to age 25 or your age 65, whichever occurs first. The Family Security plan also contains conversion privilege for the children, and automatic coverage for future children.

Built-in Benefits

The Family Protection Policy and the Family Security Policy are available in amounts up to a total of 3 units. Both plans have valuable built-in features. For example, if father dies, insurance on mother and children is automatically paid up with no further premiums due.

Bruce Seeks Demo Senate Nomination

REISTERSTOWN, Md., Sept. 15 (AP)—James Bruce, who sent a trial balloon into the turbulent political atmosphere without having it shot down, is the first announced candidate for the Democratic nomination to the U.S. Senate.

The 64-year-old former U.S. ambassador to Argentina, a party leader on state and national scenes for 20 years, announced his candidacy Saturday at a party he gave for state Democratic leaders.

He said he sent up his trial balloon in early summer. Bruce added: "Nobody punctured it, so I'm in this thing to stay."

"I've received promises of support from every county and every legislative district in Baltimore."

I've been around the state and from what I have learned, I believe I could help both the State of Maryland and my party by offering myself as a candidate for the Senate.

"I am in the contest to stay." Bruce is a member of a Maryland family with a rich background of public service. His late father, William Cabell Bruce, was a U. S. senator. His brother, David K. E. Bruce, is U. S. ambassador to Germany.

A banker, Bruce is a director of a dozen or more national corporations.

Although he has been an accomplished fund raiser for the national Democratic Party, this is his first bid for public office.

Bruce isn't expected to get the nomination without a fight. John Grayson Turnbull, Baltimore County attorney and majority leader of the Maryland Senate, is expected to announce his candidacy within the next 10 days.

George P. Mahoney, defeated two times each in bids for the Senate and governorship, has announced he will seek high office again next year. He didn't say which it would be this time.

Mahoney was a guest at the party Bruce gave for more than 200 Democratic leaders at the guest house of a manufacturing firm near his Carroll County home.

Among others were Lansdale G. Sasscer, who engaged Mahoney in a rough and tumble Senate primary battle in 1952; Dr. H. C. Byrd, who engaged Mahoney in a similar battle for the gubernatorial nomination in 1954; James H. (Jack) Pollack and Patrick F. O'Malley, Baltimore City political leaders and bitter antagonists; Barton Harrington, State Democratic chairman, and Arthur B. Price, Harrington's rival in a Baltimore mayoralty primary a few years ago.

Truck Firm To Close Hagerstown Terminal

HARRISBURG, Pa., Sept. 15 (AP)—A. L. Buch, president of Buch Express Inc., said tonight his firm is closing its Hagerstown, Md., truck terminal "for lack of business."

The terminal just wasn't doing enough business to warrant our keeping it open," Buch explained. He added his company will continue to do business in the city, but not operate out of it as in the past.

Buch said the closing means about 25 workers will be laid off or transferred to other terminals "if they have seniority rights."

"No one is being fired," he added. He said some of the employees were notified yesterday of the company plans.

ORPHANS OF LITTLE ROCK RACIAL STORM — In an exclusive interview with International News Service in one of their homes, nine Negro children barred from Little Rock, Ark., Central High School during the integration controversy told of their fear, lack of fear and determination to return to the all-white school. At the interview were (from left, seated, front) Thelma Mothershed, 15, Elizabeth Eckford, 15, and Melba Thattillo, 15; (from left, rear) Jefferson Thomas, 14, Ernest Green, 15, Minnie Jean Brown, 16, Carlotta Walls, 14, Terrence Brown, 15, and Gloria Ray, 14.

McKeldin Says U.S. "On Spot" Overseas

BALTIMORE, Sept. 15 (AP)—Gov. McKeldin said today America's treatment of its Negroes and its restricted immigration quotas have put the United States squarely on the spot with peoples overseas.

"We are on a spot before the downtrodden peoples of the world whom we have urged to look upon the United States as a land of opportunity—a haven for the oppressed," he said at a joint celebration of "I Am An American Day, Defenders Day and Constitution Day."

The observance was held in Patterson Park.

McKeldin said although the recent Congress eased immigration restrictions some it was far from what the Eisenhower administration asked "in the way of new, more liberal legislation."

"We still have a long way to go," he added, "before we can point with assurance again to that once proud promise on the base of the Statue of Liberty: 'Send these, the homeless, tempest-tossed to me; 'I lift my lamp beside the golden door.'"

McKeldin said the boast "I Am An American" also will have a hollow ring "so long as a segment of our citizenry is labeled 'second class'."

"It is of the disorder and rufianism that they read, because it is such behavior that makes the world try to reconcile our claims of equality of all citizens under the law and the widely publicized great behavior of people in some of our who hold in highest respect the Constitution of the United States."

Factory Fund Drive At Frostburg Must Be Closed Tonight

\$25,500 Needed To Reach Quota For New Plant

FROSTBURG — According to Miss Margaret Jones, member of the citizens committee securing pledges for erection of a factory and an underground manufacturing company wanting to locate in Frostburg, tonight will reveal whether Frostburg wants the plant or if they will turn their back upon an opportunity to bring additional employment to local citizens.

Miss Jones has revealed that a total of \$54,500 has been pledged but that \$30,000 is needed. The company has stated that if the amount is not pledged tonight they will accept an invitation from another community to locate elsewhere.

Hundreds of people have been contacted, said Miss Jones, but it is practically impossible to contact everyone and most people will not pledge unless faced directly with the issue.

The meeting beginning today at 7:30 p. m. at the City Hall is open to anyone and everyone, said Miss Jones, and the citizens committee which has been working hard for the past month on the project will discontinue the project unless the \$30,000 is pledged tonight.

Company officials said they must be located in a building before winter in order to meet the demand for the articles they manufacture.

The citizens committee state that these are the terms:

The company will locate in Frostburg if a factory building is available.

The building must be of one-story construction in order to cut down manufacturing costs.

The company will amortize, over a 20-year period, the entire cost of the building paying three per cent interest on all money.

At the time the building is paid for the deed will then be turned over to the company but will remain with the city group until that time.

Tonight is the deadline for Frostburg's acceptance or rejection of the plan.

Meyersdale Project Gets Underway

MEYERSDALE — A groundbreaking ceremony was held yesterday at the site of the \$1.5 million junior-high school in Meyersdale Joint School District.

Ceremonies began at 3 p. m. on a tract of land along Route 219, about one mile south of here.

Dr. Grant Atwell, president of the joint school board, turned the first spadeful of earth. Erntsa H. Stumple, supervising principal, presided, and brief remarks were made by John Kretschman, chairman of the building committee, and J. Richard Ross, representing the architects.

District school directors, Charles A. Darrah, high school principal; representatives of the various contractors and other guests were introduced.

Music, including "The Star-Spangled Banner," was provided by the joint high school band under the direction of Robert Jones.

The invocation was given by Rev. L. Collins Deffenbaugh, pastor of United Church of Christ, and the benediction was pronounced by Rev. Charles E. Staub, pastor of Zion Lutheran Church and vice president of Meyersdale Ministerium.

A prayer was offered by Ralph E. Stevanus, president of Southampton Township School Board, a jointure member.

The new school will house 25 classrooms, a homemaking department, industrial arts and vocational agriculture shops, arts and crafts shops, library and student activities and conference facilities. Construction is being financed through the State Public School Building Authority.

The building will cover an area of 82,000 square feet. Ross and James H. King of Somerset are the architects. The Uniontown Construction Company holds the general construction contract.

Age Of Automation Is Panel Topic At Frostburg College

First Of New Program Series Set For Thursday

FROSTBURG — "Living In An Age of Automation" will be the subject of a panel discussion by top business, labor and education leaders Thursday from 7 to 8 p. m. in the Compton Hall Auditorium of Frostburg State Teachers College.

This program, the first in a series of nine, has been planned by the college for the benefit of the community, students, faculty and all college personnel. All programs will be held the third Thursday of each month. There is no admission charge.

According to R. Bowen Hardesty, president of F.S.T.C., all lecturers and panelists are outstanding in their fields. All topics for discussion, said president Hardesty, should be of interest to all members of the community and people of the area and that everyone is welcome and is urged to attend.

Members of the panel for Thursday include Dr. David W. Zimmerman, assistant Maryland State Superintendent of Schools, who will serve as moderator; Panelists will be William M. Thompson, general superintendent, Luke Mill of West Virginia Pulp and Paper Company; J. C. Warden, plant superintendent, Kelly Springfield Tire Company; R. Finley Thompson, plant manager, Celanese Corporation of America; R. M. Hainsfurther, plant manager, Pittsburgh Plate Glass Company; D. H. Little, plant manager, Allegheny Lullistics Laboratory operated by Hercules Powder Company and Stanley E. Zorick, vice president of the AFL-CIO Trades Council.

Among the questions the panel is expected to discuss Thursday are: "Will the work week be reduced to 30 hours as a result of automation or remain at 40 hours because of increased demand of production?" "How is automation in the second half of the twentieth century going to affect our economy?" and "How does automation affect youth and adults at home, at school, in industry and in old age?"

Educators of the state who have accepted an invitation from the college to attend Thursday nights meeting are: W. T. Boston, supervisor of teacher college business management; James L. Reid, supervisor of school plant planning; Miss Rowanetta S. Allen, assistant superintendent of schools, Prince Georges County; William Brish, superintendent of schools, Washington County; William Hoopengardner, superintendent of schools, Caroline County.

Miss Mary A. Adams, assistant superintendent, Baltimore City; Raymond McCullough, superintendent, Talbot County; Willard Hawkins, superintendent, Garrett County; Dr. James Sensenbough, superintendent, Frederick County; Maurice Dunkle, superintendent, Calvert County; Richard T. Rizer, assistant superintendent, Allegany County; John Yingling, superintendent, Howard County; Dr. Charles Whittier, superintendent, Montgomery county; Dr. David W. Jenkins, superintendent, Anne Arundel County and Ed. G. Stapleton, superintendent, Baltimore County.

Condemnation Of Russia Is Seen Hastening End Of Communism's Appeal

NEW YORK, Sept. 15 (AP)—A top State Department official said today the United Nations' condemnation of Russia's actions in the Hungarian revolution will hasten "the end of communism's appeal."

Asst. Secretary of State Francis O. Wilcox said the U.N. General Assembly cannot force the Soviet Union to withdraw its troops from Hungary.

"But in the long run," he said, "it is my conviction that the events in Hungary, the action taken in the United Nations to meet them, and the subsequent exposure of the policies and action of the Soviet Union mark the beginning of the end of communism's appeal."

The General Assembly debated the Hungarian issue at a special session last week and condemned Russia for using troops against the Hungarian people.

Wilcox said Hungary has shown the resentment against Soviet rule by the satellite peoples. In time, he said, Russia itself may realize that "it is in its own national interest to permit its satellites a greater degree of independence."

The U. S. position on a wide range of U.N. problems and activities was outlined by Wilcox in a speech prepared for the American Assn. for the United Nations. He spoke in advance of the arrival of Secretary of State Dulles, who will head for one week the U. S. delegation at the regular General Assembly session which begins Tuesday.

Wilcox is in charge of U.N. affairs in the State Department. He declared the United Nations has lessened "the menace of war" in the Middle East. However, he added that the area remains explosive and "the Soviet Union will continue to fish in troubled waters."

Wilcox also blamed Russia for the breakdown of disarmament negotiations at London earlier this month but expressed hope that forthcoming U.N. debate on the arms problem "will induce the U.S.S.R. to relax its rigid position and reinforce our efforts to move toward agreement."

Other matters touched on by Wilcox included:

KNOCKS KNEES—Nancy Denner, "Miss Oklahoma" and third in the Miss America pageant at Atlantic City recently, doesn't like bermuda shorts on men or women, and especially on Jackie Sandefer, University of Oklahoma halfback football player. Nancy is a coed at OU and told the nation in her television interview she doesn't believe shorts show off anyone to good advantage. (AP Photofax)

RED CHINA—Russia "will once again press" for U.N. membership for Communist China and the United States will again support the membership of Nationalist China. The United States won out on this issue last year 47-24 and United States favors his reappointment.

SECURITY COUNCIL — Since the total membership of the world organization has grown in recent years, the United States believes that at least two new seats should be added to the U.N. Security Council, raising the number of nonpermanent members from six to eight. There are five permanent members.

CHARTER REVISION — The time is not now ripe for a meeting to rewrite the U.N. Charter drafted at San Francisco in 1945, but the United States favors a "charter review conference" when conditions become "more auspicious."

Man Sentenced In Morals Case

John Parch, 68, of 7 Bellevue Street, was found guilty Friday in Juvenile Court of contributing to the delinquency of minors in a morals case involving four young girls.

Parch was sentenced to serve 60 days in Allegany County Jail and fined \$100 by Magistrate Fred H. Anderson.

Three of the girls involved in the case were found to be delinquent minors and Magistrate Anderson placed them under the protective custody of the Welfare Board for a period of six months.

The other girl was found not guilty. Parch was arrested last Friday by Detective Lt. James E. Van and Det. Thomas See of the Cumberland Police Department after Lt. Van had received a tip in the case.

St. Louis Wins Two, Chops Braves' Lead To 2 1/2 Games

Pirates Lose To Cardinals, 9-6 And 11-3

Musial's Big Bat Aids Redbirds Gain On Shaky Milwaukee

ST. LOUIS, Sept. 15 (AP)—The swift-striding St. Louis Cardinals, with Stan Musial again lending power to a double-barreled attack, scuttled Pittsburgh twice today, 9-6 and 11-3. The twin triumph chopped Milwaukee's lead to 2 1/2 games, the Braves' smallest margin since Aug. 8.

The faltering Braves were beaten 3-2 in 10 innings by the Philadelphia Phillies at Milwaukee in a single game.

Musial, out of the line-up for 20 games with a shoulder injury, had three hits in six at-bats in the doubleheader.

In the first game, the six-time batting champion slapped an RBI single to unknot a 3-3 tie and in the second contest record two doubles.

Stan played six innings in both contests and raised his league-leading average two points to .342.

Two big innings—six runs in the fifth inning of the opener and five tallies in the first inning of the nightcap—did the job for the Cardinals.

Sam Jones, (12-8), backed by two home runs by Wally Moon, held an 8-1 lead after six but weakened in the seventh and was bailed out by Billy Muffett who also ended a Pittsburgh rally late in the first game.

Mrs. G. L. Bowie Retains County Singles Crown

Tops Louise Wilson, Dr. Novak, Twigg Reach Men's Finals

Mrs. Gordon L. Bowie retained her Allegany County singles tennis championship, yesterday afternoon on the Country Club courts, by eliminating Miss Louise Wilson, an old rival of hers in previous years, 4-6, 6-4, 6-3.

The match was closely contested from start to finish with Mrs. Bowie producing the extra effort in the deciding set when the score was three all to take the last three games.

Mrs. Bowie has won this tournament, and other local tournaments, many times in the past, as well as winning the mixed doubles championships with her husband for a long period of years.

The winner in this year's County women's singles receives permanent possession of the tennis trophy presented by Lazarus Inc.

In the men's singles semifinals yesterday afternoon on the Country Club courts, Dr. Robert Novak, of Frostburg, defeated "Bill" Day in an interesting, exciting five-set match, 6-1, 2-6, 6-3, 7-9, 6-1.

Dr. Novak now will meet Jimmy Twigg, City junior champion, in the finals for the County championship, the best-of-five sets, Saturday afternoon at 2:30 on the Country Club courts.

The finals in the men's doubles will be played Sunday afternoon on the Country Club courts. Dr. Novak and Chas. Sager are already in the finals. Three other matches are to be played this week. "Bill" Day and Maurice Bernstein meet L. E. Van Sant and Jack Evans, Slim Castle and "Boots" Sapp play Lya Syckes and Bob Sutton; the winners playing for the final position.

Redlegs Whip Dodgers, 11-6

CINCINNATI, Sept. 15 (AP)—Cincinnati's Redlegs went on a scoring rampage today, whacking four home runs and an assortment of eight other hits to trim the Brooklyn Dodgers, 11-6. The Reds had to call on veteran hurler Bill Kennedy to stifle a vigorous Brooklyn uprising in the ninth inning.

Redleg starter Hal Jeffcoat had a five-hitter and an 11-2 lead through the first eight innings, but fell apart in the ninth.

Two singles and a hit batsman loaded the bases, and after Roy Campanella popped out, shortstop Roy McMillan booted a grounder by Sandy Amoros, scoring two runs. Two more singles accounted for one run apiece and Jeffcoat went to the showers.

Kennedy got Randy Jackson to ground out and Gil Hodges to hit a pop fly that McMillan grabbed to end the game.

The Reds punched most of their homers in middle innings after twice coming from behind to tie the score.

Braves Fall Before Phils In 10th, 3-2

Kazanski's Single Hands Spahn 10th Defeat Of Season

MILWAUKEE, Sept. 15 (AP)—Ted Kazanski's 10th inning single gave the Philadelphia Phillies a 3-2 victory over the Milwaukee Braves today and further tightened the National League pennant race.

The defeat was the Braves' eighth in their last 11 games and reduced their lead to 2 1/2 games. Second-place St. Louis defeated Pittsburgh 9-6 and 11-3 in a doubleheader.

Warren Spahn, making his second bid to become a 20-game winner for the eighth time and thus tie Lefty Grove for the major league record for left handers, carried a 2-1 lead into the ninth inning. But the Phils tied the score in the ninth, and after two hits in the 10th sent Spahn to the showers. Kazanski singled off Bob Trowbridge for the run that saddled the veteran with his 10th setback.

Willie Jones began the ninth with a pinch single, Richie Ashburn also singled and Chico Fernandez's safe bunt filled the bases. Jones scored the tying run as Ed Bouchee hit into a double play.

In the 10th, Granny Hamner and Bob Bowman singled before Trowbridge came in and served up the decisive hit to Kazanski.

The Braves picked up single runs off Curt Simmons in the first two innings. In the first, Red Schoendienst singled, moved up on an infield out and went home on Joe Adcock's double. In the second, Johnny Logan singled, took second on a throwing error by right fielder Bowman, took third on a passed ball and scored on Schoendienst's second single.

Jim Bunning Trims Bosox For 19th Win

Detroit Racks Up Pair, 7-1 and 4-3

By BOB HOOBING
BOSTON, Sept. 15 (AP)—Lean Jim Bunning hurled himself to the threshold of the coveted 20-game winner's circle and eliminated Boston from the American League pennant race today as Detroit beat the Red Sox 7-1. Al Kaline's 23rd homer in the nightcap launched a doubleheader sweep for the Tigers, 4-3, which lifted them to within a game of the third-place Red Sox.

Bunning, the gum-chewing pride of Carrollton, Ky., who spent most of last year in the minors, allowed just five hits as he posted his 19th victory. The 6-3, 180-pounder will have two and possibly three more chances for No. 20.

Kaline crashed his three-run homer off a light tower in left field to provide Detroit the lead it never lost in the first inning of the nightcap.

Tuttle singled home the eventual winning run in the fourth. Boston's sixth homer with Mickey Vernon's sixth homer with the bases empty in the fourth and Dick Gernert's 14th over the screen in left center after Jackie Jensen doubled in the seventh.

Cubs Bag Pair From New York

Mays' Average .339, Three Back Of Stan

CHICAGO, Sept. 15 (AP)—A pinch single with the bases loaded by rookie Ed Haas overcame three New York Giant home runs and hoisted the Chicago Cubs to a 7-6 victory today after the Cubs had won the first game of a doubleheader, 6-2, behind veteran right-hander Bob Rush.

Haas, recently called up from Fort Worth, came through with his clutch single in the seventh inning to break a 5-5 tie in a game that saw the lead change hands several times.

Willie Mays, Hank Sauer and Earl Harris all homered for the Giants but to no avail as the Cubs made most of their 11 hits count.

Rush, backed by a 10-hit attack that included homers by Dale Long and Bob Speake and a two-run double by Chuck Tanner, had no trouble gaining his sixth victory against 15 losses in the opener.

Rush played seven hits including Ray Jablonski's ninth homer. Mays, who raised his average to .339—three percentage points behind league-leader Stan Musial, got the Giants off to a 1-0 lead in the first inning of the nightcap with his 34th homer and then put the Giants ahead 2-1 in the third inning after the Cubs had tied it on Jim Fanning's run-scoring double.

Barrelville Defeats Centerville In 13th Inning, 8-7

Ronnie Cage's Sacrifice Fly Wins Game

Zihlman Trounces Hyndman, 16-4; Both Series Go Limit

Ronnie Cage's sacrifice fly to centerfield in the top of the 13th inning scored Galen McGregor with the run that gave the Barrelville Old Exports an 8-7 victory over the Centerville Reds yesterday at Centerville, Pa., and evened up the Pen-Mar League best-of-three playoff series between the teams at one win each.

With the count knotted at 7-7 in the 13th, Galen McGregor started the winning rally by collecting his sixth hit on his 7th trip to the plate. George McGregor sacrificed and Jimmy Eckard's hit sent Galen McGregor to third from where he scored after Cage's hoist to centerfield.

Centerville took a 7-6 lead by scoring four runs in the 8th inning but Manager "Buck" Florita's club sent the battle into extra innings by tying the score in the ninth.

Exports Get 20 Hits

Glenn Deremer went the route for the old Exports and was nipped for 20 safeties. Galen McGregor's six hits included a two-bagger. Woody Woodson chalked up three hits and Eckard rapped a triple and single for the victors.

Bobby Raines, who came on in the eighth inning to relieve Jesse Markley, received credit for the victory. After Barrelville scored what proved to be the winning run in the 13th, Raines turned on the steam and fanned two of the three batsmen he faced to end the game.

Markley and Raines yielded eight hits, two of which were obtained by Glentis Streett. Charles Mickey smacked a triple for the Reds.

Centerville had won the first game of the series by the score of 4-3.

Following yesterday's game, Barrelville won the toss of a coin to determine the site for the third and deciding contest of the series which will be staged next Sunday at 2:30 p. m.

Zihlman Rout Hyndman

In the other semi-final series game played yesterday, Zihlman routed Hyndman's Merchants at Zihlman to the tune of 16-4 to even up the set at one victory apiece.

Leading 7-4 going into the eighth inning, Manager "Buck" Winfield's club scored nine runs to swamp the league's pennant winners.

Nine hits coupled with two bases on balls and an error were recorded during the big inning in which 12 batsmen stepped to the plate. The rally was punctuated by back-to-back homers by Denry Shuck and Rickey Harris, doubles by Harold Hudson and Harris and one-base knocks by Shuck, Paul "Bubbles" Thompson, Jack Brodie, Jack Skidmore and Joe Conroy garnered one-base knocks.

Zihlman's 14-hit attack was sparked by Harold Hudson's homer, double and single and Thompson's two doubles and single. Harrison homered and doubled and Shuck banged a homer and single. Hudson's solo homer came in the 7th frame.

Bobby Dawson Victor

Bob Cook started on the peak for Hyndman and was charged with the loss. George Bishields was Zihlman's starting hurler but gave way to Bobby Dawson in the 4th and the latter was credited with the victory.

Tom Dunn, Joe Conroy and Thompson excelled in the outfield for Zihlman and Lehman, left fielder, did likewise for Hyndman. Manager Gene Stair accounted for two of the Merchants' eight hits — a double and single. Clay Leydig larruped a two-bagger.

Hyndman had won the opener of the best-of-three series by the score of 5-2.

The "rubber" game of this series is billed for Zihlman next Sunday at 2:30. Zihlman won the toss following yesterday's contest. The scores:

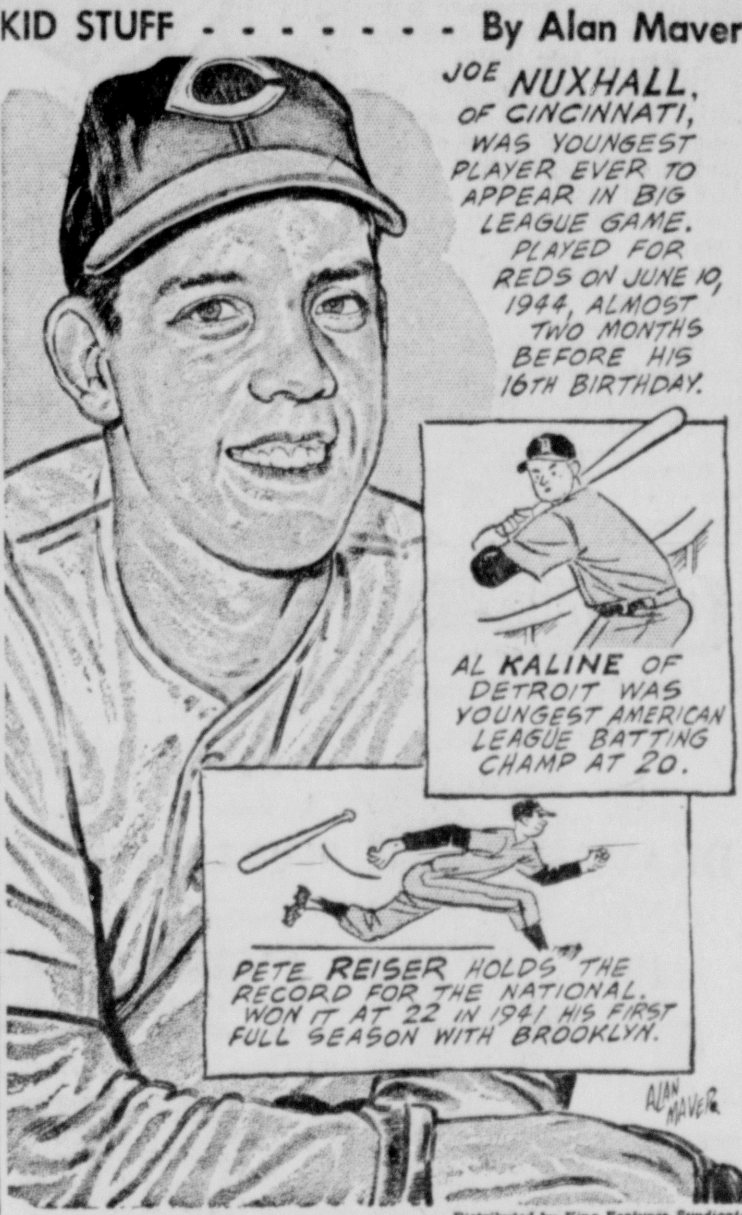

Barrelville . . . 015 000 001—8 26 3
Centerville . . . 000 010 000—7 8 2
R. Cook, See (4), Lehman (6) and Bryant, Bishields, Dawson (4) and Skidmore, WP—Dawson. LP—R. Cook. HR—Harris, Shuck and H. Hudson (Zihlman).

The Detroit Lions have two All-Pro linebackers on their 1957 roster, Joe Schmidt and Roger Zatkoff.

Out Of Action

Giants' pitcher Ruben Gomez put Pittsburgh hurler Vernon Law out of action for a week when he accidentally hit Vern with a pitch on September 3 in New York. X-rays showed no skull fracture but did reveal a ruptured middle ear drum and doctors advised Vern to stay inactive for at least seven days.

Yankee Homers Sink Athletics In Double Bill

Turley Scores, 5-3, Larsen Victor, 3-0

NEW YORK, Sept. 15 (AP)—The New York Yankees swept a doubleheader today, 5-3 and 3-0, opening up a 5 1/2 game lead over Chicago in the American League with 10 games to go. Don Larsen pitched the shutout, his first since his perfect game in the 1956 World Series, after Tommy Byrne's three-run pinch homer won the opener.

Any combination of Yankee victories and White Sox defeats totaling seven would put New York in another World Series. Chicago scored three in the ninth to win a single game at Washington 3-1.

The Yanks called on their old reliable weapon—the home run—to end their series with a perfect 11-0 Yankee Stadium sweep over the A's and a 19-3 season edge.

Byrne's three-run pinch homer helped the Yanks take the opener with a five-run rally in the seventh inning. Successive singles by Harry Simpson, Jerry Lumpe and Tony Kubek scored the first run and Byrne's pinch homer into the upper deck in right added three more. Hank Bauer's 17th homer finished off loser Jack Urban.

All Kansas City runs came off Bob Turley, who won his 12th with Sam Maglie pitching the last two innings. Bob Cerv hit his 10th homer and Bob Martyn hit his first major league home run with a man on as Kansas City scored three in the fourth inning.

Kubek's first Yankee Stadium home run in the first inning was enough for Don Larsen in the second game. Mickey Mantle's triple and Harry Simpson's 12th homer boosted his lead to 3-0 in the sixth.

Cleveland Pulls 4th Triple Play Of Major Season

BALTIMORE, Sept. 15 (AP)—The Cleveland Indians completed the fourth triple play of the major league season in the ninth inning of today's first game with the Baltimore Orioles.

With the score tied 4-4, Bob Boyd beat out an infield hit and Billy Goodman singled to left to open the inning for Baltimore.

Oriole relief pitcher George Zuverink, batting in the fourth position after a lineup change, attempted to bunt the runners into scoring position.

But Cleveland relief pitcher Bud Daley dashed off the mound to catch the ball on the fly at his shoetops. Daley wheeled and threw to shortstop Chico Carrasquel to double Boyd. Carrasquel in turn threw to second baseman Bobby Avila covering first, completing the triple play before Goodman could get back.

The New York Yankees and Chicago White Sox also made triple plays in the American League this season. The Cincinnati Redlegs have made the only one in the National League.

Chisox Score Three In 9th, Edge Senators

Clevenger Blows Up, Drops 3-1 Decision

WASHINGTON, Sept. 15 (AP)—The Chicago White Sox rallied for three runs in the ninth inning to defeat Washington, 3-1, today behind the two-hit pitching of Bob Keegan and Barry Lattman, the winner. Jim Lemon got both of the Senators' hits, one a 450-foot homer.

Truman Clevenger, who started for the Senators, owned a three-hit shutout entering the ninth inning, but Luis Aparicio singled and Nellie Fox was nicked by a pitched ball. Earl Torgeson twice failed in attempts to sacrifice, then lashed a double off the right field fence to score both runners.

Bud Beyer wild-pitched Torgeson to third and he scored on Minnie Mino's sacrifice fly.

Keegan, who pitched a no-hitter the last time he faced the Senators, hurled four no-hit innings but his 13-inning hitless skein against Washington was snapped when Lemon beat out an infield hit in the fifth inning.

Lemon boomed a home run high into the bleachers in left-center with two out in the seventh for his other hit.

Keeping Up With Hollywood
by Louella Parsons

HOLLYWOOD, Sept. 15 (INS)—I ask you—could anyone be better than Josh Logan to bring the best selling "The World of Suzie Wong" to the stage? And I'm making a bet now that when it comes to the screen later, Josh also will be at the helm.

"The World of Suzie Wong," by Richard Mason, is the story of an American painter who falls in love with a Chinese girl of loose morals. Josh has been associated with so many Oriental stories lately he must be eating with chop sticks. He recently finished "Sayonara" for William Goetz, and he's now directing "South Pacific."

Eliot Hyman and Ray Stark bought the rights to "Suzie" from the galley proofs six months ago for \$125,000 and will be the co-producers of the play with Logan. The Broadway dramatization will be made by Paul Osburn who is now working with Josh on "South Pacific."

Irene Dunne, who was nominated by President Eisenhower as an alternate delegate to the United Nations, was sworn in by Secretary of State Dulles, in Washington, D. C., on Thursday. Later Secretary and Mrs. Dulles gave reception for her and the other eight delegates.

She will also be the guest of honor at a dinner party in New York given by Ambassador and Mrs. Henry Cabot Lodge.

In a note Irene said, "I feel so privileged to be a part of this vital organization, the United Nations, which is designed to prevent a future war." Knowing Irene as well as I do, she'll be a wonderful asset to this great organization.

I hate to brag I told you so—but before blonde, green-eyed Susan Oliver ever stepped before a camera at Warners I predicted this girl was a comer and was in movies to stay. Sure enough, Jack Warner is so pleased with

her in "The Green-Eyed Blonde," her first film, that he's put Susan under a long term contract.

For girls who read this and think getting to the top in a hurry in Hollywood is easy, let me say that Susie served her apprenticeship well on Broadway before coming here. She played many small roles before she was given a real part in "Small War on Murray Hill" and attracted a Warner Brothers scout.

Snapshots of Hollywood collected at random:

Frank Sinatra, who hasn't seen Peggy Connolly for ages, was with her the night he returned home, at the Slate Brothers. In the same party were Ernie Kovacs, Jimmy Van Heusen, Joe Fields and Carl Reiner.

A romance to watch is that of actress Sherree North and music arranger Pete Rugolo. They were a twosome at Phil Ahn's Moon-gate Restaurant in the Valley.

Leslie Caron was so eager to get home to see her baby she didn't even stop for a piece of birthday cake at Maurice Chevalier's 69th birthday party. Marriage and motherhood have done much for her.

Arthur Freed introduced me to a dark-eyed girl named Annette Claudier, who comes from Monaco and has a bit in "Gigi." She says she sings the same songs that Chevalier does—"only not as well."

Back in New York, Darryl Zanuck has completed an extensive location expedition for "Deluxe Tour." He photographed 40,000 feet in 55 mm, visiting many, many countries.

That's all today. See you tomorrow.

Secrets Of Charm
by John Robert Powers

Seeing Red

The "bang of color" glamorizes all of fall fashion. And suddenly the lady in red becomes the leading lady of the season. Prepare now to see red for every occasion of the day since color knows no limited hours. All the shades of red as well as bright shades of blue, purple and green play a part in this new dedication to color.

The mature woman over forty will be wise to choose a late-day or evening dress in any one of the exciting and vibrant shades. Actually, she's most fortunate, for in most cases only a woman

under thirty-five should, or can afford to appear in black for evening. Often it allows the skin. Nothing can add years faster than a black gown. That's why so many teen-agers and college girls are anxious to get into their first black dress. It makes them look older.

Spirit, As Well

A vibrant color will not only do wonders for a woman's appearance, but for her spirits as well. For vital looks, it's always wise to vary your color diet. Red is most often associated with gaiety and is exciting to the mind and appetite. You can be chic in black, but it is with sophistication or aloofness.

Some women take the easy way and continue to wear dark or neutral shades season after season. Granted, there is nothing more elegant than an all-beige costume for most women. Still they shouldn't be afraid to sample new color... if only for one costume or dress. And this is the year to do it; color is more important than silhouette this fall.

Tomorrow: Figured For You.

Sales Show Increase

WASHINGTON, Sept. 14 (AP)—Sales of merchant wholesalers in July were reported by the Commerce Department today at \$9,900,000,000, an increase of 3 per cent over June 6 per cent over the sales of July 1956.

Durable goods trading, with sales of \$4,300,000,000 in July was about 1 per cent ahead of June and a shade higher than a year ago. Total durable goods sales for the first seven months of the year, however, still lagged about 2 per cent behind the corresponding portion of 1956.

Television And Radio

by John Crosby

Our Image Is Bad

While John Crosby is on vacation, his column is being conducted by guest writers. Today's contributor is Alistair Cooke, chief American correspondent of "The Manchester Guardian" and master of ceremonies of "Omni-bus."

By ALISTAIR COOKE

I am sitting out on a terrace overlooking Peconic Bay on the first flawless day of fall. "Whatever the calendar says, it is the fall. The sky is a clean blue wash and the few little clouds are motionless. The bay is a sheet of blue glass. The Weather Bureau says the wind is from the south at seven miles an hour. But the

Weather Bureau is a liar. There is no wind at all, only sun and silence. It is the sort of day when you feel the rustle of the sand between your toes, when the window-panes of a little house four miles across the bay on a sandy point glisten like flies preserved in amber.

It is no time or place to be sitting writing a guest column for the Beachcomber Crosby, who is probably sitting out on another terrace writing no column at all. The mere thought of television is an affront to all the senses, most of all to the sense that television pretends to glorify: the visual sense. I am at the moment fascinated by the hard green light on the underside of a century plant and by the diffused, snowy light on the dusty miller that surrounds it. How would this contrast look on television, I wonder (but not for long). It would look terrible. Television can barely distinguish between a pine tree and a Marine standing at attention.

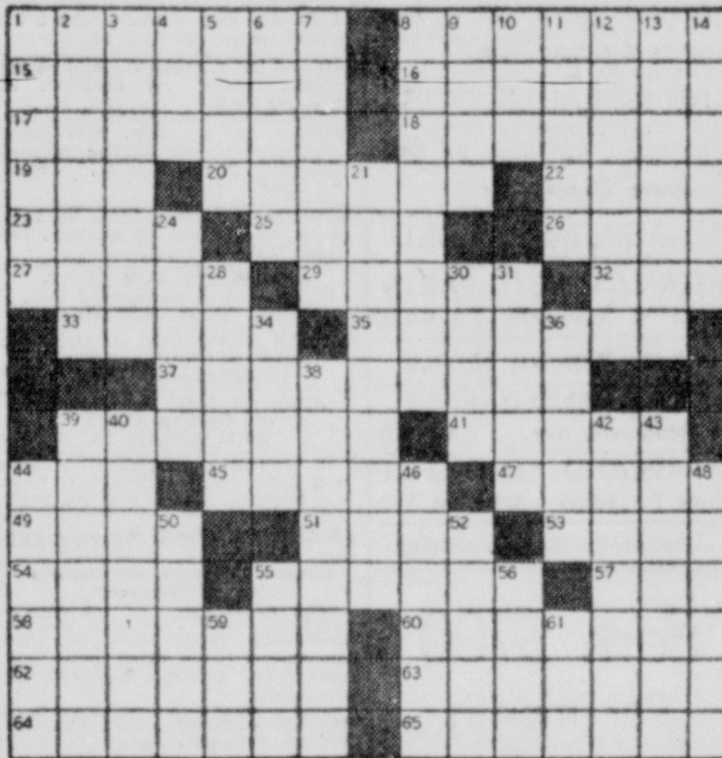

This is all leading up, none too subtly, to my one vast and continuing gripe against television. For, from the symposium of lamentations that has masqueraded in this space as a series of guest columns, I gather that this is the open season for doom and gloom. We have had distinguished playwrights, novelists, comedians and other double-domes hand down a true bill, whose main indictment is that television is mostly trash. Of course it is. It is a medium of popular entertainment in an age when the mass-man is the only audience that counts. Imagine condemning Victorian literature because the penny novelettes, put out for kitchen maids, were not written by Dickens, Thackeray, Hardy, or Mark Twain.

I sympathize with the members of the grand jury but I suspect that they are the victims of a smooth, and irrelevant, line of talk from the prosecutor. Television is a medium of communications, no more and no less culturable in itself than the invention of printing. Nobody that I know of has condemned William Caxton for having made possible the universal popularity of Mickey Spillane and Norman Vincent Peale. If television can also exhibit the mind of Frank Lloyd Wright, the acting of James Daly in "Lee at Gettysburg," it suddenly occurred to me, available at a modest rental fee on Omni-bus kinescope we should be grateful for incidental luxuries that were not in the mind of the man who designed the cathode tube or the manufacturers who captured the medium for the single purpose of boosting their sales of breakfast cereal and hair-rinses.

These men, who won the medium long ago—over the protests of a guess who?—the Honorable Herbert Hoover know that most people deserve what they get; and they give it to them. This is honest and straightforward. The only hypocrites in this weary cultural argument are the network officials who periodically put out pompous surveys, written in federal prose, pretending that while they appear to us to be merchants of soap and jiffy steak, they are actually dedicated to the advancement of learning.

What is wrong with television (ha! ha!), it seems to me, is nothing so high-flown. It is that at the moment the image, the picture you see, is fit only for visual morons. It is commonly less subtle than the early films of the Keystone Kops. It cannot cope with the slightest chiaroscuro. It cannot safely discriminate an animal from a vegetable or mineral in anything further than a medium shot. We have a noticeably worse image than the British and the French. And I am shocked to hear, from a Republican of certified loyalty, that the Russians have the best image of all.

Now here is really something for the Senate to investigate. For surely must have something to do with the control of patents; with the over-production of millions of the huge ugly boxes we call TV sets; with our cheerful, all-American skipping on fundamental research. Once we can see what's going on, once we can

DAILY CRYPTOQUOTE — Here's how to work it: AXYDLBAAXR is LONGFELLOW

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

ZI ZW QFUFLTHX MFIFL IJ SFTH MX WOFFAP IPTU MX HFI-IFL—MTAJU.

Saturday's Cryptogram: ALL THINGS WORK TOGETHER FOR GOOD TO THEM THAT LOVE GOD—ROMANS.

CHRYSLER

'56 Packard (400) 2 door hardtop

The former local owner kept this car in tip-top condition with regular checks. The two-tone paint looks like new. The custom made interior is a three tone finish with leather and nylon seat upholstery, leather headliner with chrome roof bows. The 290 hp engine has push button controls and is in A-1 condition. The equipment includes powered torsion leveler, power steering, power brakes, power windows, power seat, electric touch-tune radio with power antenna. Heater, defroster, signal lights, back-up lights, air foam seats, under coating, white sidewall tires and all the small acc. essories. The top cash value of this beauty is \$2990.

Three Typhoons Churn In Pacific

TOKYO, Sept. 15 (AP)—Three typhoons—Carmen, Della and Elaine—churned in the Pacific and Far East today.
Carmen headed for the Swatow area of Red China after disrupting rail and highway communications with torrential rains along Formosa's east coast.
Della was spotted by U. S. Air

Force weather men 1,000 miles east of Tokyo, moving northeast at 25 miles per hour. She packed 100 m.p.h. winds.
Elaine was discovered by an Air Force reconnaissance plane 230 miles northeast of Guam, moving northwest at 10 m.p.h. She had 80 m.p.h. winds at her center.

Finland Devalues Currency By 40%

HELSINKI, Sept. 15 (AP)—Finland devalued its currency by almost 40 per cent tonight in a desperate attempt to recover Western foreign markets and fight a rising wage-price spiral at home.
The official rate of 231 Finnish marks to the U. S. dollar was hiked to 320, described as a true value of the mark. The old tourist rate of 330, which had become a virtual free rate, was abolished in the order announced by the Bank of Finland.
The official rate had hit hard at trade with Britain, once Finland's best customer for its fine lumber and machinery. Neighboring Soviet Russia had cut deeply into Finnish trade since the war.

Increasing wage demands in the nation, governed by a coalition of Social Democrats and Agrarians, have shot up prices in recent years and brought recurring threats of devaluation.

Police Investigate Injury To Woman
City police are investigating the cause of injuries to a woman early yesterday near Murphy's One-Stop Restaurant on Route 40 at the edge of Cumberland.

Miss Juanita Sheggers, 24, of 125 Bedford Street, was admitted about 12:15 a. m. to Sacred Heart Hospital where attendants said she sustained lacerations on the face and forehead which required several stitches; bruises of the arms and shoulders, and complained of back injuries.

Miss Sheggers, who is employed as a waitress at the restaurant, told hospital authorities she fell from a moving vehicle.
Her condition is listed as "fair."

State Dental Association Meeting Opens

General Sessions Scheduled Today

More than 125 Maryland dentists and their wives arrived here last night to open the semi-annual meeting of the Maryland State Dental Association.

Up to 200 delegates are expected to be here today for the general and business session of the association.

The session formally opened early last night at the Fort Cumberland Hotel at a dinner meeting attended by state officers and officers of the component societies and their wives.

Registration and a reception for visiting members, planned by the Allegany-Garrett Dental Society, followed.

Sessions Open At 9:30

Today's sessions open at 9:30 a. m. in the ballroom of the hotel.

Rev. W. R. Snyder, pastor of St. Luke's Evangelical Lutheran Church, will give the invocation and Mayor Roy W. Eves will welcome the delegates to the Queen City.

Dr. Ernest B. Nutthall, Baltimore, president of the state dental association, will give the response.

Principal speaker for the 33d semi-annual meeting will be Dr. Ernest T. Lewis, Pittsburgh, who will discuss prosthetics at 10 a. m.

Dinner-Dance Planned

The business meeting, with Dr. Nutthall presiding, will be held at the hotel at 2 p. m. following a noon luncheon.

Today's activities will end with a dinner and dance which will begin at 7 p. m. at the Cumberland Country Club, according to Dr. John Hohing, Lonaconing, president of the Allegany-Garrett unit.

The three-day session will end tomorrow, when the annual golf tournament sponsored by the association begins at 9 a. m. at the Cumberland Country Club.

Dr. J. Russell Cook is serving as general chairman of the meeting and Dr. N. L. Barger, vice chairman.

Probe Of Milk Price Boost Is Scheduled

BALTIMORE, Sept. 15 (AP)—The price of milk is rising in Maryland and the Legislative Council wants to know why.

The chairman, Senate President Louis Goldstein, said milk price increases will be discussed at the end of the special session next Wednesday night.

A dairy spokesman announced Saturday that the price of home delivered milk will be increased tomorrow from 25 to 27 cents a quart in Allegany County and nearby portions of Garrett County and Mineral County, W. Va.

He said the increase resulted from the summer drought and because of competition from metropolitan areas for available milk.

Dairy farmers, through the Maryland Cooperative Milk Producers, Inc., have announced an increase in the price of fluid milk from \$5.50 to \$5.90 per hundredweight. This is expected to cause a two-cent per quart increase in the Baltimore area about Oct. 1.

The farmers say the drought forced them to use up their supplies of winter feed.

Goldstein said he put the price increases on the council agenda at the request of Del. Samuel A. Culotta (R-Balto 3rd).

Culotta said he feels the drought-stricken dairy farmers should have whatever aid the state and federal governments can provide. But he said he doesn't feel the milk price increase should be passed along to the consumer.

Old Union Members Still Active

These are the surviving active members of C. L. Bretz Division No. 640, Brotherhood of Locomotive Engineers, who went on strike against the Western Maryland Railway in October 1925. The strike has never been settled but they retained their membership in the brotherhood and kept their local intact. All these men found work in other fields and most are now

retired. Seated, left to right, are Charles E. Shepherd, secretary-treasurer; John W. Shepherd, chief engineer; J. W. Harper, first engineer, and Charles O. Byer. Standing are John C. Chase, chaplain; J. Thomas Sleeman, past chief engineer; William B. Twigg, Jonathan Radcliff, guide, and Walter F. Wratchford.

Services Set Tomorrow For Crash Victim

Services for Mrs. Rebecca Davis, 74, of 12 Euclid Place, who was fatally injured early Saturday in an auto-tractor-trailer accident on U.S. Route 1 near Richmond, Va., will be conducted tomorrow at 2:30 p. m. at her residence.

Rev. Frank J. Fratto, pastor of Central Assembly of God Church, will officiate and burial will be in Zion Memorial Park. Pallbearers will be Harris Mower, Elton Weakly, Wilbur D. Bell Sr., and her three sons, Chester, Elmer and Elroy Davis.

Mrs. Davis was killed instantly when a tractor-trailer rammed into the rear of a car in which she was riding, after the car had stopped on the highway because of mechanical trouble.

Also injured in the crash were four members of her family. They were her son, James Davis, Columbia Street, and his wife, Catherine; and the victim's two daughters, Mrs. Pauline Wratchford, 460 Columbia Street, and Miss Mary Davis, 12 Euclid Place.

Mrs. Davis was born in Ravenswood, W. Va., December 12, 1882, the daughter of the late Joseph and Rebecca (Rousch) Proffitt. Her husband was the late William F. Davis.

Besides her son and three daughters, Mrs. Josephine Self, Mrs. Marjorie Thomas and Mrs. Lillian Oliver, all of Cumberland; two brothers, Joseph Proffitt and James Proffitt, both of Racine, Ohio.

Five sisters also survive, Mrs. Annie McCoy, and Mrs. Helen Faircloth, Racine, Ohio; Mrs. Florence Smith, Keyser; Mrs. Mollie Myers and Mrs. Minnie Welch, both of East Liverpool, Ohio, and Mrs. Tillie Conklin, Columbus, Ohio; 14 grandchildren and five great-grandchildren.

The present membership roster includes C. E. Shepherd, 71, Ridgeley, who is secretary-treasurer; John W. Shepherd, 75, Ridgeley, chief engineer; J. W. Harper, 83, 408 Prince George Street, Cumberland, first engineer; Charles O. Byers, 79, of 531 Columbia Avenue; Jonathan Radcliff, 85, of 6 Potomac Heights, Ridgeley, guide; William B. Twigg, 169 North George Street; J. T. Sleeman, 300 Aviret Avenue, past chief engineer.

John C. Chase, 75 and Walter F. Wratchford, 75, both of Ridgeley; J. H. Boettner, 85, of 431 Fayette Street; L. E. Bisset, Piedmont, W. Va.; James E. Dumire, Davis, W. Va.; Charles A. Twigg, 85, William H. Kerns, Martin Basil, 68, and C. F. Hedges, all of Elkins; Edgar M. Poland, West Chester, N. Y.; and S. Collins, Bryson City, N. C.

They are all that is left of the local which went on strike in 1925.

The strike continued for a long period, and so far as the remaining members of this local are concerned, is still on.

A book was published, detailing the situation. It is titled "The Engineers' Strike on the Western Maryland Railroad." Material in the book was prepared by representatives of the Department of Research and Education of the Federal Council of the Churches of Christ in America; by the Social Action Department of the National Catholic Welfare Conference; and by the Social Justice Commission of the Central Conference of American Rabbis.

Most of those who remain members of the local are now retired. They found other work in other fields of business and industry, but when they meet once

US Air Force Recruit Quota Filled Here

Waiting Lists Now Being Compiled

The United States Air Force recruiting station here, according to M/Sgt. James C. Owen, recruiter in charge, has filled its no-prior-service quota through December of this year.

The only chance a local area youth has to enlist in the Air Force before that time, Sgt. Owen said, could result because one or more of the qualified applicants now on file should fail to enlist.

In view of this situation, Sgt. Owen suggests that young men contemplating enlistment should make application now so they can get on the growing waiting list. Men are called from this list in turn, as monthly quotas are announced.

The recruiter also said that high school seniors who are looking forward to Air Force careers after graduation in June, should make application now. The June quota will also be lower than in past years, and only the best qualified men among earliest applicants can be accepted.

This condition, said Sgt. Owen, is not due necessarily to any great reduction in Air Force personnel. While some overall reduction has taken place, the decreased demand for recruits is due largely to the high re-enlistment rate of many already in the Air Force, and the current Air Force emphasis on quality recruits instead of quantity recruits.

He predicted that it will now become increasingly difficult to enlist in the Air Force, and only men with highest scholastic records will be acceptable because of the highly technical nature of this element of the national defense services.

Men and women with prior service, or armed forces veterans who can pass the Air Force mental and physical requirements are still being accepted on an unlimited, no-quota basis, Sgt. Owen said. If a prior service man or woman is classified in the surplus career field and can qualify, he or she will be offered technical training in intelligence; radio-radar; armament systems maintenance and aircraft and engine maintenance. Or, if the enlistee desires, assignment may be arranged for a 15-day refresher course at Lackland Air Force Base, San Antonio, Texas, for classification and assignment.

The following men were enlisted here during the past week:

Dennis P. Norris, 466 Goethe Street; Ronald L. Hymes, 214 South Street; Jack D. Parker, Oldtown; Joseph Fazenbaker, Westernport; and Dennis F. Mickey, 204 Main Street, Ridgeley, W. Va.

The young man is a graduate of LaSalle High School, class of 1951, and completed three years at Duquesne University, Pittsburgh, in the School of Business Administration where he majored in accounting.

Planned this week in the basement of City Hall are a prenatal clinic Wednesday from 9 a. m. to noon, a V. D. and immunization clinic that afternoon from 1 to 4 p. m. and a chest clinic Friday from 9 a. m. to noon.

Man Posts Bond In Window-Smashing

A 22-year-old Columbia Street man last night posted \$20 bond on a disturbance of the peace charge and also paid for damages to the vehicle after police said he drove his fist through a car window on Oak Street early Sunday morning.

City police said Melvin J. Stewart, 630 Columbia Street, was arrested early yesterday morning after breaking the window of an automobile belonging to Frank Nickel of 254 Columbia Street.

Nickel told authorities that Stewart accosted him as he stepped out at her home. After some words Nickel rolled up the window glass and Stewart broke it out.

Stewart last night admitted he mistook Nickel's companion for another girl and became angered.

Another 20-year-old man who was with Stewart was released by police yesterday after questioning.

ed or wounded among their army of 41,000.

Yesterday, the nearest Sunday to the anniversary, was chosen for the 95th anniversary observance. Dr. Hicks is hoping Maryland will prepare some sort of special observance for the 100th anniversary five years from now.

The Cumberland group had dinner at the Ferry Hill Inn, overlooking the Potomac across from Shepherdstown, W. Va. The inn was once the home of Kidd Douglas, author of "I Rode with Stonewall."

A distant relative of Stonewall Jackson, the Confederate General, was in the group. He is J. Goodloe Jackson of Cumberland, who also numbers a Union general among his antecedents.

Others in the Lions Club-sponsored tour were Robert E. Moore, William G. Barger, Glenn K. Davis, F. Theodore Bell, Donald A. Workman and Albert D. Darby Jr.

Proposed Dams Would Up Area Rec Facilities

Deep Creek Lake Cited In Report

The recreational facilities of Western Maryland will be increased if a comprehensive plan being worked out by the Corps of Engineers for the North Branch of the Potomac River is adopted.

The plan includes a series of three dams and flood control projects for a number of communities along the river above Cumberland, and is designed to meet the needs of the area for flood protection, pollution abatement, water supply, recreation and other water resource requirements.

Fish Could Exist

The increased stream flow which would be possible from water stored in reservoirs three miles above Luke, a second Savage River Dam and the Stony River reservoir, according to Col. George B. Sumner, district engineer, would allow water in the North Branch to support some fishlife.

Sufficient water would be released from the Stony River reservoir, he said, to maintain fishlife in the stream.

Col. Sumner pointed out that while the Stony River dam would eliminate a few miles of trout fishing and some of the wildlife producing area, temperatures of water in the reservoirs on Stony and Savage rivers would permit trout fishing to a greater extent than is now possible.

The Corps of Engineers report said that in the North Branch, where no fish at present exist, harder species like bass might be introduced and be expected to survive in the North Branch reservoir.

Cite Deep Creek Lake

Recreational developments including swimming, boating, water skiing, camping, hiking and other sports are also possibilities in the vicinity of the reservoirs, Col. Sumner said.

Stony River, the present Savage River and the proposed new Savage River reservoirs, the report said, would be operated with a minimum drawdown during the recreation season, June 1 through September 15, and water needed to boost the flow of the stream would come mainly from the North Branch reservoir.

Such a plan, the Corps of Engineers believes, would give the highest recreation value for the area.

The development along Deep Creek Lake, the report said, is an example of the recreational facilities which could be expected if good access roads are provided to the proposed reservoirs.

Water Plans Move Slowly

BRYANTOWN, Md., Sept. 15 (AP)—A state committee on irrigation, which has been suggested as an answer for Maryland farmers to future droughts, has adopted a go-slow attitude in devising legislative recommendations.

The committee of legislators and agricultural leaders met here Saturday.

Dr. D. B. Krimgold, an Illinois agronomist who owns a farm in Carroll County, set the tone of the meeting when he suggested one of the major needs would be to spell out the question of water rights more clearly. He said this would take time.

Present laws which spell out who can take water from streams and rivers and how much can be taken provide only for a reasonable amount to be used by persons whose property adjoins streams.

Sen. Joseph Mattingly (D-St. Marys), committee chairman, said the committee will look into the entire field of irrigation at a series of meetings during the next several months.

"We will decide then just what may be needed in the way of legislation," he said.

The next meeting is set for Sept. 30 in Baltimore.

The University of Maryland has called a conference of agricultural leaders for Sept. 26 to discuss irrigation problems.

Judge Steps Out Of Trial Of Editors

Newspaper Attacked Court Appointments

LEONARDTOWN, Md., Sept. 15 (AP)—Circuit Judge Philip H. Dorsey said today he would disqualify himself from ruling on motions to dismiss charges against two newspaper men, who were indicted for writing editorials critical of the judge.

The grand jury returned indictments Friday against Publisher J. Sheridan Fahnestock and Managing Editor Alfred Tombs of the weekly Lexington Park Enterprise.

They were charged with: 1. "Unlawfully creating and maintaining a public nuisance by false and malicious statements to the detriment of the public."

2. And, "Obstructing justice by falsifying information and maliciously publishing same in an effort to hinder, obstruct, embarrass and impede the Circuit Court for St. Mary's County and members of the property review boards."

State's Atty. Walter Dorsey, son of the judge, said the charges are misdemeanors.

Seek Dismissal

Fahnestock and Tombs posted \$10 bond each Saturday. They also filed motions with Judge Dorsey for dismissal of the charges. They contend the indictments do not charge any crime or contempt under Maryland law or the Federal Constitution.

The American Newspaper Publishers Assn. has agreed to intercede in the case.

The basis for the charges were two editorials and an article in the Enterprise which criticized Judge Dorsey's appointment of two county political leaders to the new property review boards.

St. Marys is the only county having two of the boards, which review disputes between property owners and the State Roads Commission over property needed for right-of-way. Members are paid \$60 for each day they are in session.

Judge Dorsey initiated the indictments. In his charge last Monday, he asked the jury to determine whether the newspaper should be cited for contempt of court.

Claims Malice

"When a newspaper deliberately attempts to warp the facts and convey a false impression editorially, it is not acting in good faith," said Judge Dorsey.

"You may inquire into and determine whether or not the editorials were inspired by malice, whether they were written and published with an intent and design to hold the review boards up to such public ridicule as would destroy public confidence in them and render their work useless, whether the actions of those responsible have brought about a clear and present danger to the administration of justice."

Dorsey, a county and state Democratic leader for years, owned the Enterprise for 20 years. He sold it 11 years ago to Fahnestock, a South Pacific explorer.

Tombs, a former Washington newspaper man and a novelist, said the Enterprise opposed Dorsey's election to the bench last year. He called the indictments "a blatant infringement on freedom of the press."

Woman, 66, Hurt When Hit By Car East Of Romney

A 66-year-old Fairmont, W. Va., woman was critically injured about 12:30 p. m. yesterday when she was struck by an automobile on Route 50 about a mile east of Romney.

The victim, Mrs. Ada Williamson, sustained a fracture of the right leg and possible internal injuries. Her condition was listed as "critical" at Memorial Hospital where she was admitted after being brought to Cumberland by ambulance.

West Virginia State Police at Romney last night said she was crossing the road.

Police Hold Two 17-Year-Old Boys

City police are holding two 17-year-old boys for questioning by the state's attorney. Both were picked up shortly after 1 a. m. yesterday in two separate cases.

Detective Joseph H. Stichter said one youth has admitted he took an automobile from a used car lot in the city and later abandoned it on Cecelia Street when it ran out of gas.

Later he returned to the car lot to take another vehicle, he said, and was nabbed by police.

The other boy attempted the entry of a Virginia Avenue restaurant shortly after midnight and was surprised in the building by the proprietor. He later gave himself up to police and admitted breaking into the restaurant, said Stichter.

The Opti-Mrs. Club will hold its monthly meeting Wednesday at the home of Helen Nesbitt, 544 Rose Hill Avenue. Hostesses will be Mrs. Betty Fey, Mrs. Elizabeth Eiler and Mrs. Phill Chappell.

Air Raid Drill Is Scheduled On Wednesday

County Civil Defense Film To Be Shown

Civil Defense Week will be marked in Allegany County with participation in a Statewide Air Raid Drill Wednesday night and a series of meetings for the showing of a film based on Civil Defense activities of this county.

Traffic will be stopped and residents will take cover during the mock alert.

Civil Defense workers will begin going to their posts Wednesday at 6:15 p. m. when the steady Alert signal will be sounded.

To Last 5 Minutes

The second siren signal will sound at 6:45 p. m. This will be the waiting three-minute Take Cover signal. Traffic will stop and pedestrians will take cover.

The All Clear, with no siren signal, will be automatic at 6:50 p. m., when traffic can resume and pedestrians come out of cover.

In observance of the Second National Civil Defense Week, a film based on CD activities of Allegany County will be shown this week at City Hall.

William G. Barger, county director, said the film, which is about 20 minutes in length, will be shown at 8 p. m. today, tomorrow and Friday in City Hall auditorium.

Plan Phone Alert

It will be shown about two or three times each night and the general public is invited to attend. On Thursday local industry will participate in CD Week.

Mr. Barger said that during mid-afternoon the local Chesapeake and Potomac Telephone Company office will join the company throughout Maryland and take part in a CD drill.

The telephone company CD plan will be put into operation as patrons in the building at the time will participate, as well as employees who are assigned to various stations such as wardens, first aid or fire watch.

The Amcelle Plant will show the county CD film to members of the industrial rescue team of the plant as well as to other members of the staff. This will be on Thursday.

Schools To Participate

Maryland schools have been asked to stage practice alerts at 10 a. m. Friday.

Sherley Ewing, state director of civil defense, said many local communities will hold defense programs of their own during the week.

Baltimore is planning a mass fledging demonstration Monday at Clifton Park Junior High School. A casualty clearing station will be manned Tuesday night at Leith Walk School.

Hagerstown was excused from the Wednesday drill because of horse race traffic, Ewing said.

Montgomery County was excused because it held a similar alert in July.

Sweitzer Bird Wins Race

Gene from the Pear Alley Loft of J. H. Sweitzer won the 175-mile race of the young bird series of the Allegany Racing Pigeon Club by averaging 1178.83 yards per minute from Athens, Ohio.

The win was the loft's first since 1952. Second place in the race was won by White Face from the Galla Loft of Charles Buskirk with an average of 1176.10 yards.

Twelve lofts participated in the race with 248 birds competing. The birds made good time despite the cloudy weather and light rain that prevailed over the course.

Other birds in the top ten were Pal Joey from Excello Loft of M. M. Green, 1175.78 yards; Blue Boy from Galla Loft, 1174.93 yards; Wills Creek from Pear Alley Loft, 1166.13 yards; Samson from Lost Loft of Dudley Shafer, 1155.85 yards; Jezebel from Lost Loft, 1153 yards; Moe from Wing Ridge Loft of R. L. Spiker, 1153 yards; Little Fay from Town View Loft of Galen Beeman, 1153.03 yards, and Sandra from the Town View Loft, 1149.99 yards.

The next race also will be held from Athens to Cumberland.
